

14th Annual Anza Borrego Lower Willow Project
By, BCHC San Gorgonio Unit,
All Units Are Invited and New Members Welcome!

This is our annual work party to clear the Lower Willows for all to use. Show up as early as Thursday and stay as long as Sunday. Saturday is our main workday. Bring gloves and shoes that you can get wet or dirty, water and a lunch plus a way to carry them. Please bring a favorite tool to use or one will be provided for you. Horses will stay in camp on the workday and be watched over by the cooks. Oh ya, you may also be served dinner on Saturday night for only 10.00 per person. The other days you are here you may ride and enjoy the surroundings as you wish. Pre ride the area to be worked on, and ride the newly trimmed trail on Sunday and reap the rewards of your labor!!!!!!!!!! Bring a bucket for your horse's water and of course any thing else you may need. And what's a work party without a raffle? Bring a gift to donate or just buy a lot of tickets please.
